LEGACY OF STRENGTH, SOARING TOWARDS TOMORROW

At RKB Global, our legacy is built upon a robust foundation of resilience, expertise, and an unwavering commitment to quality. For decades, we have remained at the vanguard of the steel components industry, delivering superior products that meet the stringent demands of our clientele. Our odyssey commenced with a profound mission: to ensure unparalleled strength and durability in every product we create. From pioneering nascent steel production techniques to embracing cutting-edge manufacturing processes, we have persistently transcended the boundaries of possibility. This legacy is not merely a chronicle of past triumphs; it epitomizes the enduring values and principles that steer us. Integrity, innovation, and an inexorable pursuit of excellence constitute the bedrock of our enterprise.

Whilst our legacy furnishes a formidable foundation, it is our vision for the future that distinctly elevates us. RKB Global is resolute in constructing the future, not solely through our products but also through the adoption of sustainable practices and avant-garde solutions. In the steel components sector, we are making substantial investments in pioneering technologies and research to develop products that are not only robust and durable but also environmentally benign.

Our commitment to sustainability extends to our mining operations, where we employ state-of-the-art techniques to curtail our environmental footprint and ensure the judicious extraction of resources. As we have progressively ventured into iron ore mining, this sector has become an indispensable facet of our growth strategy, augmenting our proficiency in steel components. Together, our mastery in steel components and mining forms the backbone of RKB Global's preeminence in the industry. This synergistic paradigm enables us to offer comprehensive solutions and maintain a competitive edge in a perpetually evolving market.

As we ascend towards the future, RKB Global is poised in a dynamic phase of growth and innovation. We are broadening our reach, forging strategic alliances, and exploring new markets to perpetuate our leadership in the industry. Our dedication to our customers is steadfast, and we continually seek novel ways to augment value and exceed expectations. Our vision for the future is one of expansion, ingenuity, and responsibility. We are committed to constructing a better, stronger, and more sustainable world. With RKB Global, the fortitude of our legacy propels us forward, and our vision for tomorrow inspires us to attain new zeniths.

TOGETHER, WE ARE BUILDING THE FUTURE

RKB Global: A Legacy Forged in Steel and Vision

Established in 1932 as M/s Rajankumar and Bros. (Impex), RKB Global has cultivated a rich legacy of resilience, foresight, and excellence. Founded by the visionary Shri Sevantilal C. Shah, the company began as a modest family-run enterprise engaged in trading iron and steel products. Over the decades, this humble beginning evolved into a formidable presence in the industry, culminating in its incorporation as RKB Global Private Limited in 2013 under the Companies Act.

Under the dynamic leadership of Mr. Virat S. Shah, whose extensive experience in the steel sector brought fresh momentum, RKB Global earned a reputation for reliability and superior quality. His strategic foresight and unwavering commitment to excellence propelled the company to new heights, solidifying its position as a trusted industry leader.

At its heart, RKB Global is a customer-centric organization built on the pillars of integrity, professionalism, and innovation. Our dedicated team of seasoned professionals strives to deliver exceptional service, offering tailored solutions and timely execution to help clients achieve their business objectives.

With over 85 years of industry experience, RKB Global has grown into one of the largest importers, exporters, traders, distributors, and suppliers of iron and steel products. Expanding beyond steel, the company has diversified into iron ore mining, pipe manufacturing, and infrastructure development—broadening its capabilities and market reach.

In 2021, under the forward-thinking leadership of Mr. Alok V. Shah, the next-generation torchbearer of the family legacy, RKB Global entered the manufacturing domain with a comprehensive portfolio of steel products.

This expansion includes graded wires, ERW pipes, bright bars, MS rods, profile sheets, welding electrodes, and pre-engineered building fabrication. Our cutting-edge facilities in Wada (Maharashtra) and Talod (Gujarat) are equipped with advanced machinery and technology, enabling precision manufacturing and operational efficiency.

RKB Global is committed to using premium raw materials and adhering to rigorous quality control standards to ensure every product meets the highest industry benchmarks. This dedication to quality and innovation continues to drive our growth and reinforces our legacy of strength and reliability.

From its modest origins to its current stature as a global force in the steel industry, RKB Global's journey is a testament to the power of vision, perseverance, and innovation. As we look ahead, we remain steadfast in our commitment to the values that have guided us for nearly a century—and to building a stronger, more sustainable future.

To emerge as a premier steel manufacturing company, delivering innovative and sustainable solutions that consistently surpass expectations in safety, quality, and reliability. We strive to be a responsible corporate citizen, actively contributing to societal progress, fostering a safe and rewarding workplace for our employees, and generating enduring value for our shareholders.

Our Vision

Our Mission

To manufacture superior steel products with efficiency and sustainability, tailored to meet the diverse needs of our customers. Through continuous process enhancement and the adoption of cutting-edge technologies, we aim to lead the steel industry, drive economic growth, deliver exceptional value to our clients, and ensure consistent returns for our investors.

Our Commitment

We strive for excellence across every facet of our operations, guided by the core values of integrity, safety, innovation, and collaboration. These principles empower us to deliver dependable and sustainable steel products while nurturing a culture of accountability and mutual respect—for our employees, our customers, and the environment.

PRODUCT PORTFOLIO

STEEL COMPONENTS

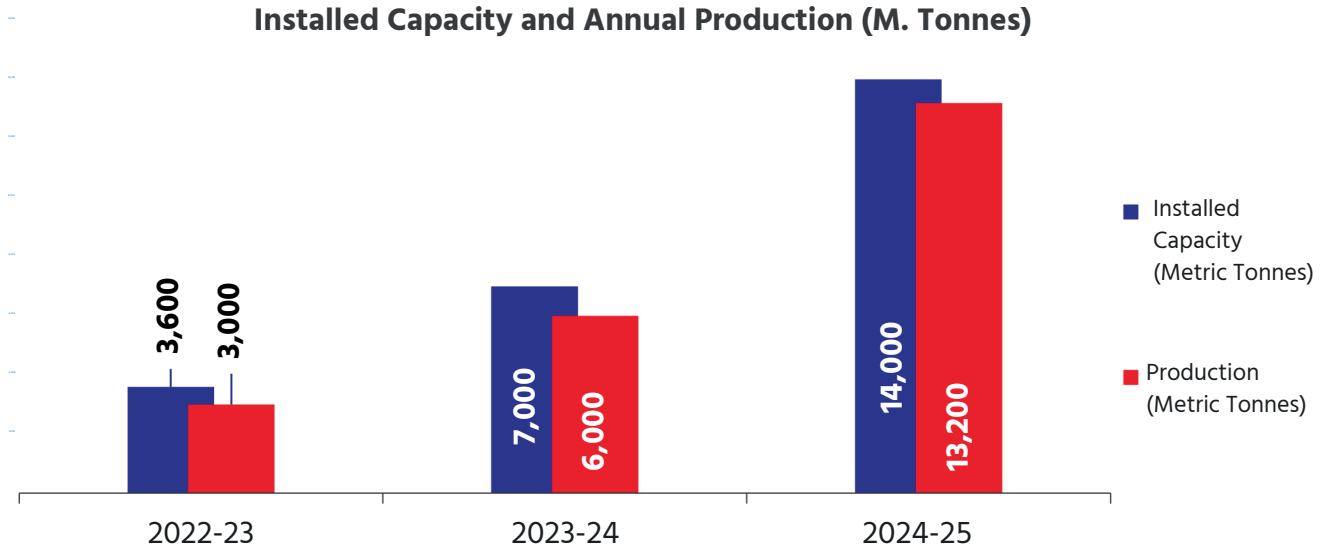

(Manufacturing Division)

Wire Drawing Graded Wires

At **Virat High Carbon Wires**, we specialize in manufacturing a comprehensive range of premium-grade wires tailored to meet diverse industrial requirements. Our offerings include MS Binding Wire, Hard Bright Wires, MS Wires, Electrode Quality Wires, Annealed Wires, and High Carbon Wires—each produced using top-tier wire rods sourced from leading manufacturers.

Engineered to precise customer specifications, our wires consistently meet stringent international standards, ensuring superior performance, strength, and longevity. Whether for construction, industrial use, or specialized applications, Virat High Carbon Wires provide dependable and sustainable solutions that reflect our unwavering commitment to innovation, quality, and excellence.

Installed Capacity and Annual Production (M. Tonnes)

Mild Steel Wires (MS Wire)

MS wires are crafted from low-carbon steel, typically containing between 0.05% and 0.15% carbon. This composition imparts excellent flexibility, enhanced ductility, and superior weldability—making them ideal for applications that require strength without excessive hardness. Their optimal balance of formability, durability, and cost-efficiency makes MS wires a preferred choice across a wide range of industries.

Variants of MS Wires & Their Applications

Electrode Quality Wires

Produced from highly conductive electrode-grade wire rods, these wires are drawn and treated with specialized chemical coatings to manufacture welding electrodes. Their high tensile strength ensures a stable arc, making them suitable for welding mild steels, galvanized steels, and low alloy steels.

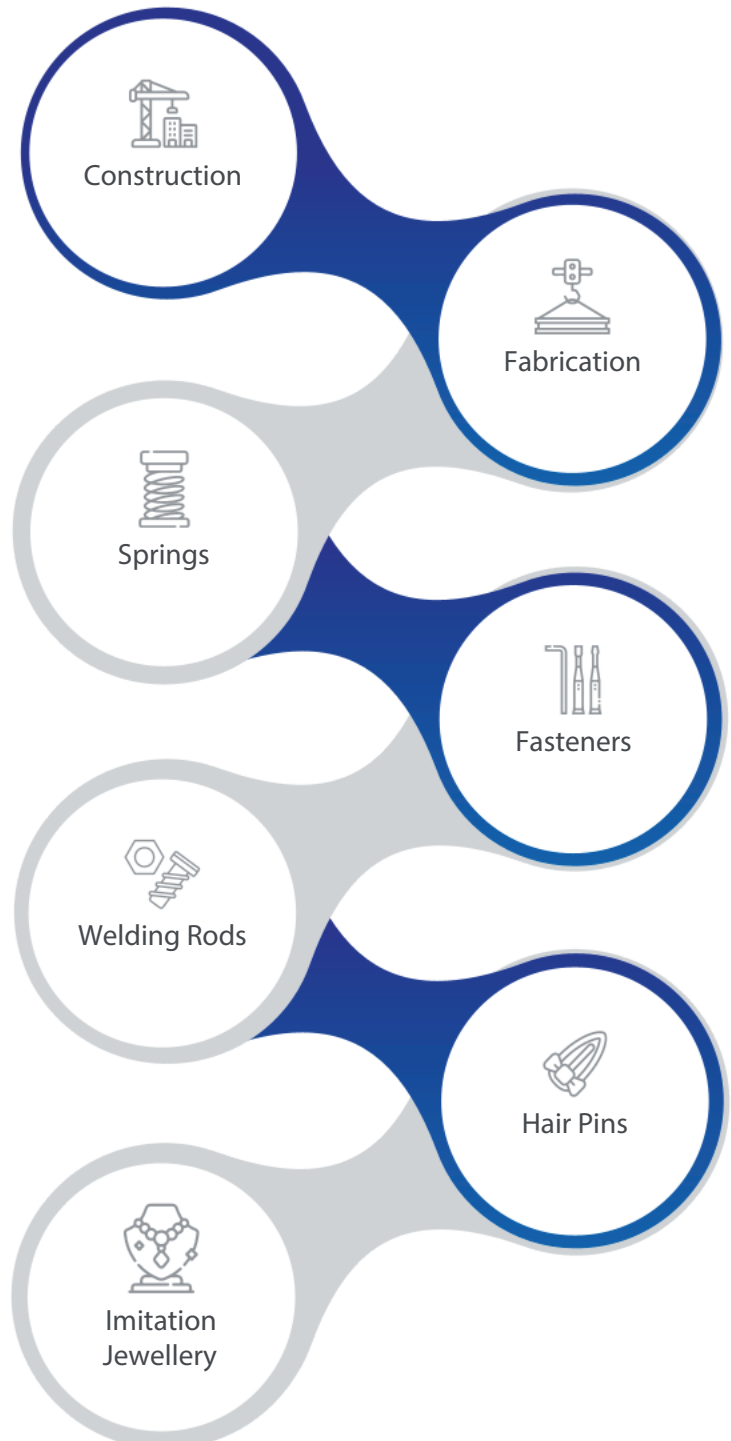

Annealed Wires

Commonly referred to as annealed tie wires, these low-carbon steel wires undergo a controlled furnace annealing process to increase ductility and reduce hardness. This treatment enhances versatility, making them suitable for binding, packaging, and various industrial applications.

High Carbon Wires:

Engineered for strength and durability, high carbon wires are known for their hardness and elevated tensile strength. Manufactured to precise customer specifications, they are available in multiple finishes—clean drawn, oiled, packed, or annealed—to suit demanding industrial and specialized uses.

Industry Applications

Bright Bars (Installed Capacity & Production)

Virat Bright Bars stands as one of the leading manufacturers and stockists of premium Bright Steel Bars. Our extensive inventory features a wide array of grades and sizes, including round, hexagonal, and square profiles ranging from 2 mm to 125 mm. We employ advanced processing techniques such as cold drawing, centerless grinding, peeling and polishing, and soft annealing to ensure a flawless finish with smooth, burr-free saw-cut ends—fully compliant with international standards and industrial specifications.

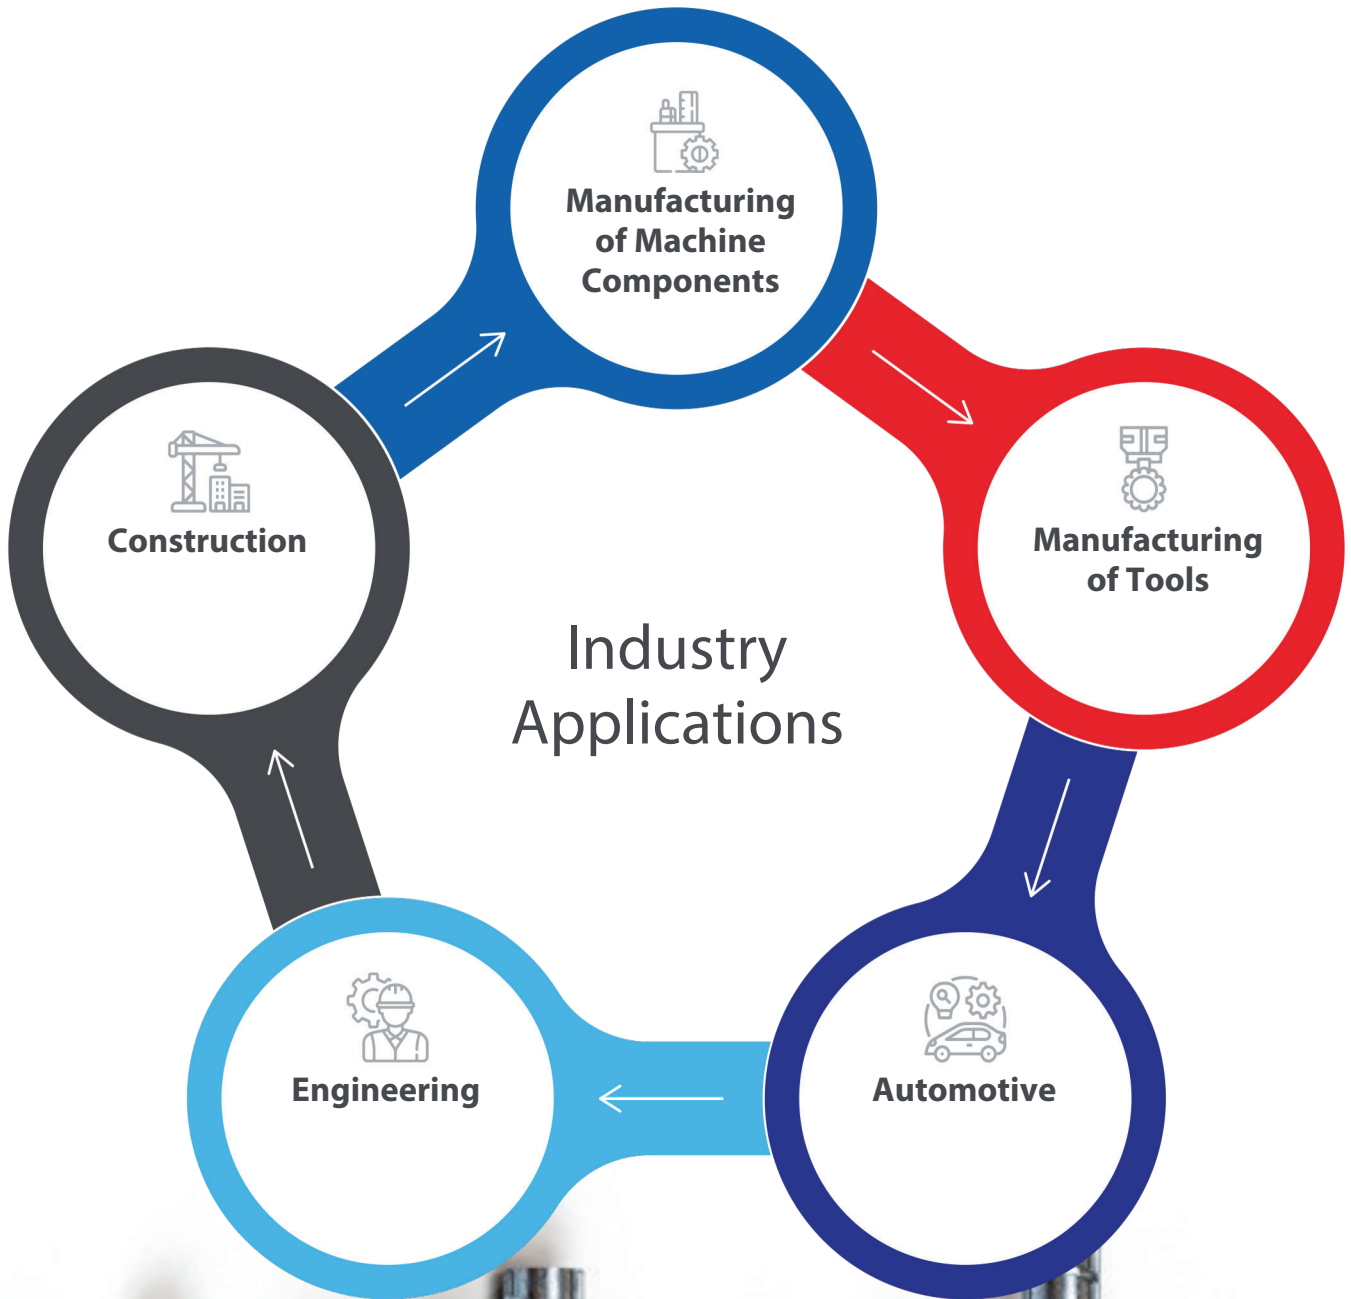

We take pride in our adaptability, offering both standard bright bars and customized solutions tailored to specific client requirements. Whether you're seeking off-the-shelf products or precision-engineered steel bars, Virat Bright Bars is your trusted partner for quality, consistency, and performance.

Installed Capacity and Production

The graph below illustrates our growth in installed capacity and production over the financial years:

Installed Capacity and Production (M. Tonnes)

Virat Superior Welding Electrodes

6013 Mild Steel Electrodes

Standard: IS 6013 | Tensile Strength: 60,000 PSI

A rutile-based, medium-coated all-purpose electrode designed for welding in all positions on carbon steel. Known for its smooth arc and easy slag removal, it performs reliably on AC, DC reverse polarity, and DCEN (straight polarity). Ideal for general fabrication and joints with poor fit-up, this versatile electrode is approved by the Bureau of Indian Standards.

Application

Suitable for welding mild steel, sheet metal, structural steel, and bridge components.

7018 Mild Steel Electrodes

Standard: IS 7018 | Tensile Strength: 78,000 PSI

A low-hydrogen electrode engineered for superior performance across all welding positions on low, medium, and high carbon steels. It offers excellent impact strength at both room and sub-zero temperatures. Compatible with AC and DCEP (reverse polarity), though not recommended for low-voltage AC welders.

Application

Ideal for welding mild steel, carbon steel, high-tensile and alloy steels, and unknown steel grades. Widely used in shipbuilding, boilers, pressure vessels, pipelines, railway wagons and coaches, heavy machinery, cranes, tanks, blast furnace structures, atomic reactor shells, castings, and bridges.

650 Hard Facing Electrodes

Standard: IS 650

A rutile-based, medium to heavy-coated air-hardening electrode suitable for all positions on mild steel, carbon steel, and low alloy steel. Designed for applications demanding abrasion resistance, impact strength, or both. Operates effectively on AC and DCEP polarity.

Application

Used for repair, rebuilding, and hard-facing of worn components such as earth-moving equipment, iron wheels, hooks, crusher jaws, hammers, rock drills, oil expellers, clutch plates, dies, punches, drill bits, mine rails, tractors, grousers, idlers, cement crushers excavator teeth, concrete mixer blades, muller wheels, bamboo chipper knives, and ploughshares.

Virat MIG Wires – CO₂ Grade

Virat MIG Wires CO₂ are precision-engineered welding wires specifically designed for Metal Inert Gas (MIG) welding using CO₂ shielding gas. Crafted from high-quality steel and uniformly coated with copper, these wires are ideal for welding low- to medium-carbon steels.

Produced with advanced manufacturing technology, Virat MIG Wires offer smooth feedability, excellent weldability, minimal spatter, stable arc performance, and consistent current pickup. They feature superior copper adhesion, tight dimensional tolerances, and controlled cast and helix—ensuring reliable results across a wide range of industrial applications.

Installed Capacity and Production (M. Tonnes)

Pre-Engineered Buildings (PEBs)

Smart Steel Solutions for Modern Infrastructure

Pre-Engineered Buildings (PEBs) offer a cutting-edge steel-based solution for constructing efficient, cost-effective, and highly customizable infrastructure. Engineered for rapid deployment, PEBs are delivered as complete systems—including steel frameworks, roofing, cladding, and accessories—ready for bolt-together assembly with no on-site fabrication or welding required.

These structures are ideal for a wide range of applications, including warehouses, sports arenas, factories, workshops, distribution centers, cold storage facilities, supermarkets, metro and monorail stations, aircraft hangars, and multi-storey buildings. With the Total Addressable Market (TAM) for PEBs currently estimated at ₹45,000 billion, the sector presents significant growth opportunities.

Key Advantages of PEBs

Accelerated Construction Timeline :

PEBs can be erected in a fraction of the time required for conventional RCC or concrete buildings, enabling faster occupancy and quicker return on investment.

Exceptional Design Flexibility :

Offering unmatched customization in form, function, and cost, PEBs can be tailored to meet specific project requirements with precision.

Aesthetic & Functional Excellence

These structures combine visual appeal with practical benefits such as efficient rainwater drainage and seamless integration with RCC components.

Cost Efficiency

The lightweight nature of PEBs reduces the need for heavy civil works, minimizing foundation requirements and structural support costs.

Streamlined Site Operations:

With no need for on-site fabrication, PEBs simplify construction logistics, reduce labour intensity, and enhance overall project efficiency.

Enhanced Vertical Clearance

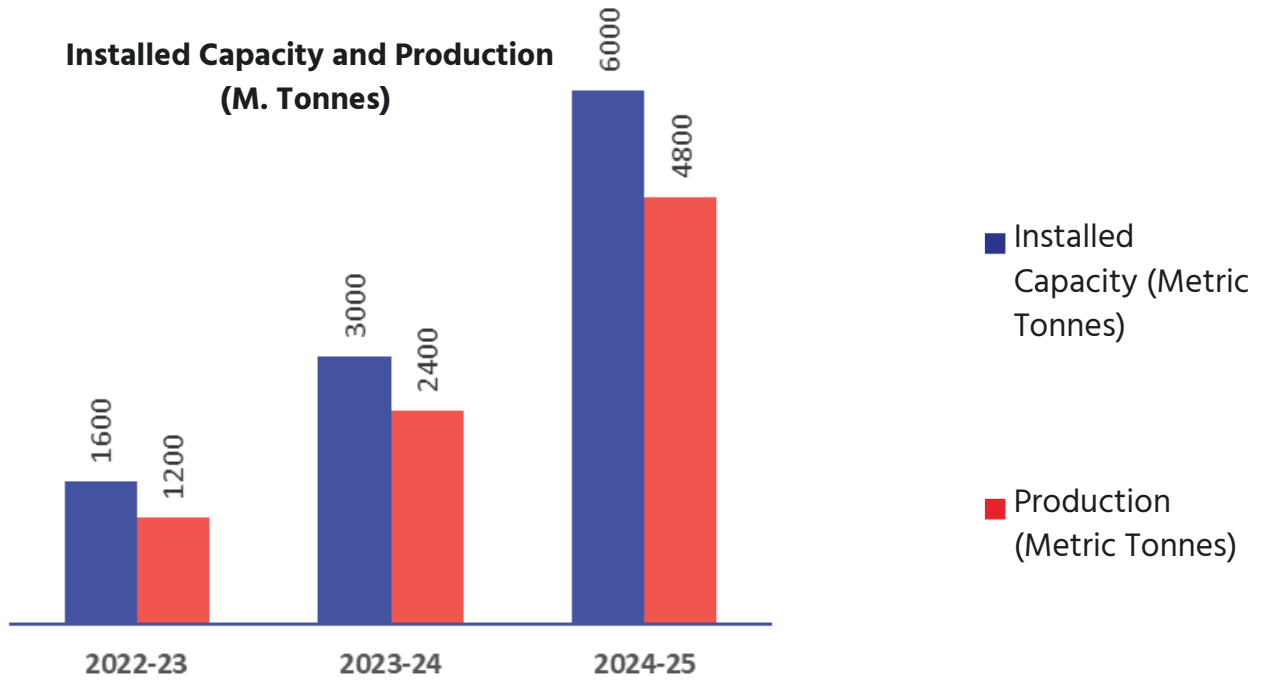

PEBs offer generous vertical space from eaves to ridge, optimizing internal volume for storage, machinery, or operational needs.

Relocatable & Reusable

Designed for flexibility, PEBs can be dismantled and reassembled at new locations, making them ideal for evolving business needs.

Integrated Project Management

From concept to completion, the entire process is managed by a single entity, ensuring cohesive execution, quality control, and timely delivery.

Why Choose Pre-Engineered Buildings (PEBs)?

Cost-Efficient & Time-Saving

Resilient Against Natural Disasters

Robust & Long-Lasting

Scalable & Rapidly Deployable

Iron Ore Mining

RKB Mining – Powering Progress Below the Surface

RKB Mining is a leading provider of large-scale, complex mining and contract operations across Maharashtra, Goa, and Karnataka, serving some of India's most prominent industrial players. Our end-to-end mining solutions cover every stage—from extraction and processing to storage and transportation—supported by a robust fleet of company-owned vehicles and advanced earth-moving equipment.

Specializing in iron ore operations, we excel in pre-stripping and precision mining, leveraging cutting-edge machinery to deliver efficient, innovative, and dependable earth-moving solutions.

Showcasing the Strength of RKB Mining

Excavation, Screening & Crushing

Our advanced screening and crushing systems are designed for high productivity and precision. Engineered to meet rigorous size-reduction requirements, they ensure optimal efficiency and consistently exceed industry benchmarks.

Export Excellence

For over 15 years, RKB Mining has maintained a strong presence in the export market, consistently shipping approximately 700,000 tonnes of iron ore annually—subject to capacity and regulatory approvals. This sustained performance underscores our reliability and competitiveness on the global stage.

Strategic Growth Outlook

RKB Mining is actively expanding its footprint within the mining sector. We have submitted bids for three government-owned mines and anticipate securing at least one within the next six months, backed by thorough survey work, detailed tender documentation, and full legal compliance.

Upon allocation, our export capacity is projected to rise significantly, with expected annual revenues from iron ore exports reaching ₹150–200 crores. With a robust business model and healthy net margins, this expansion will substantially enhance our financial performance in the years ahead.

Engineering Tomorrow, Today

At the heart of our enterprise lies a state-of-the-art steel manufacturing facility where innovation meets precision. Our infrastructure is meticulously designed to uphold the highest standards of quality, efficiency, and safety—ensuring that every product we deliver reflects our unwavering commitment to excellence and meets the expectations of our valued clients.

Creating Value, Driving Growth

At RKB Global, we believe that sustainable growth stems from creating shared value through strong, trust-based stakeholder relationships. We actively engage with key groups and platforms to foster collaboration, transparency, and mutual progress. This inclusive approach shapes our strategic direction and reinforces our commitment to operational excellence.

By prioritizing open and meaningful dialogue, we ensure that stakeholder insights inform our decisions—propelling us toward industry leadership and continuous innovation. These relationships are the cornerstone of our journey, enabling us to set new benchmarks in the steel sector.

Our Stakeholder Ecosystem

Investors and Lenders

Supporting long-term financial stability and strategic expansion.

Customers

Driving product innovation and service excellence through feedback and partnership.

Vendor Partners

Building reliable supply chains and fostering mutual growth.

Government and Regulatory Bodies

Ensuring compliance, ethical practices, and alignment with national development goals.

Stakeholder Engagement & Value Creation

DESCRIPTION

VALUE PROPOSITION

Investors & Lenders

Role:

Providers of financial capital, essential for driving growth and enabling RKB's transition toward a more sustainable steel enterprise.

- Consistent and attractive returns on investment
- Ownership of highly profitable, best-in-class assets across India
- Integrated value chain supporting long-term profitability
- Strategic focus on deleveraging and funding growth
- Enhanced transparency and credibility through robust financial and non-financial disclosures

Customers

Role:

Long-term partnerships that help maintain market leadership in targeted segments.

- Strong brand equity and differentiated product offerings
- Comprehensive engineering support and tailored solutions
- Nationwide presence with reliable supply chain capabilities
- Collaborative growth through customer-centric innovation

Vendor Partners

Role:

Strategic relationships that provide operational leverage, enabling cost competitiveness and superior customer satisfaction.

- Capability building through joint innovation and skill development
- Growth opportunities and shared success
- Safe, efficient operations aligned with performance excellence

Government & Regulatory Bodies

Role:

Facilitators of compliance and business continuity, shaping a conducive policy environment for sustainable growth.

- Active engagement on policy matters and regulatory frameworks
- Advocacy for industry concerns to promote ease of doing business
- Collaborative efforts to build a favorable business ecosystem

Employees

Role:

The backbone of RKB's success, instrumental in executing strategy and driving sustained growth.

- Fair compensation and inclusive consultation mechanisms
- Empowerment through self-managed structures
- Recognition programs and continuous learning opportunities

Chairman’s Message

Strengthening Foundations, Shaping the Future

“As we embark on this new chapter, I am confident that our integrated approach—combining manufacturing excellence with project execution capabilities—will propel RKB Global greater heights. We remain committed to innovation, operational excellence, and stakeholder value creation as we shape the future of steel infrastructure in India and beyond.”

Dear Shareholders,

It is with great pride and optimism that I present to you the Eleventh Annual Report of RKB Global Ltd.—a landmark year in our Company’s evolution. This period marks a pivotal transformation as we move beyond our legacy as a steel trading enterprise and embrace our new identity as a full-scale steel manufacturing and project management company.

Our journey, spanning over four decades in the steel industry, has laid a solid foundation for this transition. The depth of experience we’ve gained has equipped us to take this bold step forward—one that promises to unlock new growth opportunities and deliver enhanced value to all our stakeholders.

FROM TRADING TO TRANSFORMATION : The RKB Evolution

For 40 years, RKB Global Ltd. has been synonymous with excellence in steel trading. Our strategic partnerships with leading steel producers—both within India and internationally—have enabled us to build a resilient supply chain and a nationwide distribution network.

Recognizing the shifting dynamics of the industry, we made a strategic decision five years ago to expand our capabilities. This led to the launch of our manufacturing operations

under the registered brand name “VIRAT,” with the establishment of our state-of-the-art facility in Wada, Palghar. Today, RKB Global stands as a project-driven enterprise, not only producing high-quality steel products but also executing large-scale infrastructure projects across India.

WHY WE CHOSE MANUFACTURING

Our shift from trading to manufacturing was guided by a clear strategic vision:

- **Market Demand:** To meet the growing need for consistent, customized steel products tailored to end-user requirements.
- **Value Addition:** Transforming raw materials into finished goods has significantly improved our margins and profitability.
- **Competitive Edge:** Ownership of manufacturing assets has unlocked benefits such as tax incentives, subsidies, and reduced financial exposure—strengthening our market position.
- **Export Potential:** Expanding into global markets has diversified our revenue streams and reduced reliance on trading margins.

Expanding Horizons: Unlocking Market Potential

As RKB Global scales its manufacturing operations, our Total Addressable Market (TAM) has expanded significantly, driven by India's strong macroeconomic momentum. In FY23, national steel consumption reached 120 million tonnes (MT), with projections of 130–140 MT by FY24. Government initiatives such as Make in India, Smart Cities Mission, and the National Infrastructure Pipeline are fueling demand across sectors including construction, logistics, manufacturing, and defense.

The Pre-Engineered steel buildings market, valued at ₹180 billion in FY23, is expected to grow at a CAGR of 10.5-11.5%, reaching ₹295-310 billion by FY28

The Pre-Engineered Buildings (PEB) segment, valued at ₹180 billion in FY23, is projected to grow at a CAGR of 10.5–11.5%, reaching ₹295–310 billion by FY28. This growth is supported by rapid industrialization and infrastructure development, particularly in warehousing and logistics.

India's mining and metals sector is also poised for exponential growth, expected to surpass \$1 trillion, driven by the rising demand for critical minerals essential to renewable energy and advanced technologies.

RKB Global's "VIRAT" brand is gaining national recognition, with approvals for use in high-impact sectors such as Railways, Defense, and Shipbuilding. Our TAM now spans government and private projects across welding rods, steel fabrication, fencing, and pre-engineered buildings—positioning us for sustained, multi-sectoral growth.

Driving Value: Operational Excellence & Strategic Initiatives

To uphold the highest standards of quality and efficiency, we've implemented rigorous quality control protocols throughout our manufacturing process. We've also secured key regulatory approvals—including from the Pollution Control Department—for specialized units dedicated to pickling, shot blasting, cleaning, coating, and packaging.

A Note of Gratitude

As we embark on this exciting new chapter, I extend my sincere appreciation to our suppliers, customers, and stakeholders for their unwavering trust and support. With our evolved business model, we remain committed to delivering excellence, driving innovation, and creating lasting value for all those connected to RKB Global.

These enhancements have strengthened our manufacturing value chain, enabling us to meet stringent client specifications while optimizing production output and reducing operational costs. The result: improved margins, robust growth, and enhanced customer satisfaction.

Strength in Integration: Mining & Project Execution

Our strategic entry into the mining sector has amplified our project execution capabilities. We are currently engaged in contract mining for two mine owners in Goa, with plans to export 700,000 tonnes of iron ore this year. Additionally, we've applied for mining leases under our own name, which, once granted, will further expand our export capacity and significantly boost our top line.

This integration of mining, manufacturing, and project management allows us to execute large-scale infrastructure projects with precision. Notable achievements include fencing work at MOPA Airport, contributions to L&T's Delhi project, and warehouse development for MPWLC in Madhya Pradesh.

Competitive Edge: A Future-Ready Business Model

Our transition to a manufacturing-led business model has positioned RKB Global Ltd. as a formidable force in the steel industry. While trading margins remain under pressure due to market competition, our manufacturing operations offer stronger margins, consistent growth, and diversified revenue streams. By serving both domestic and international markets with high-quality products, we've carved out a competitive advantage that ensures long-term sustainability and market leadership.

Looking Ahead: Growth Strategy & Shareholder Value

We have ambitious plans to scale our manufacturing capacity tenfold, targeting a production value of ₹240 crores in FY 2024–25 and reaching ₹1,000 crores by FY 2026–27. To support this expansion and unlock shareholder value, we are preparing to list RKB Global Ltd. on the stock exchange.

The capital raised will be strategically invested in enhancing manufacturing infrastructure and acquiring advanced mining machinery—further reinforcing our industry position and growth trajectory.

Our success is built on the strength of a robust and trusted network of channel partners who play a vital role in our operations. We deeply value their contributions and recognize the pivotal role they play in helping us deliver high-quality steel products and services to our clients.

In close collaboration with our esteemed partners, we strive for operational excellence, foster innovation, and promote sustainable practices. Their continued support enables us to adapt to evolving market demands and consistently exceed customer expectations—reinforcing RKB Global's position as an industry leader.

Management Discussion and Analysis

Global Economy-

The world economy proved more resilient than expected in 2023 amid significant monetary tightening and lingering policy uncertainties worldwide, even as multiple shocks arising from conflict and climate change wrought havoc on the lives and livelihoods of millions, further jeopardizing progress towards sustainable development. Economic growth generally outperformed expectations, especially in several large developed and developing economies. However, this apparent resilience masks both short-term risks and structural vulnerabilities. Amid high levels of debt, rising borrowing costs, persistently low investment, weak global trade, and mounting geopolitical risks, the global economy is expected to grow at a subpar pace in 2024 and 2025. While a hard landing of the world economy seems increasingly unlikely, accelerating progress towards the Sustainable Development Goals (SDGs) during a protracted period of subdued growth will remain a daunting challenge. Global growth is projected to slow from an estimated 2.7 percent in 2023 to 2.4 percent in 2024. Growth is forecast to improve moderately to 2.7 percent in 2025 but will remain below the pre-pandemic trend growth rate of 3.0 percent. The short-term growth prospects for most developing countries have deteriorated. Forecasts indicate that many low-income and vulnerable countries are likely to see only modest growth in the coming years, making a full recovery of pandemic losses ever more elusive.

Indian Economy

India's Ascendancy on the Global Stage

India's economic landscape has been characterized by a robust and consistent growth trajectory, with a Compound Annual Growth Rate (CAGR) of 10-12% in USD terms over the past 10 and 20 years. This impressive performance has propelled India to become the 5th largest equity market globally. Projections indicate that India's market capitalization could reach an astounding US\$10 trillion by 2030. Sustained reforms and strategic initiatives are expected to maintain India's status as the 'Fastest Growing Large Economy,' bolstered by a strong domestic investment trend that has mitigated market volatility.

The Path to Becoming the 3rd Largest Economy

India is on track to become the 3rd largest economy by 2027. Over the past decade, the country's GDP has grown at a CAGR of 7% in USD terms, reaching US\$3.6 trillion and ascending from the 8th to the 5th largest economy globally. With continued growth, India's GDP is expected to touch US\$5 trillion in the next four years, surpassing Japan and Germany. This remarkable growth is driven by favourable demographics, a consistent labour supply, strengthening institutional frameworks, and enhanced governance. Over the past decade, India has risen from being the 9th largest economy to the 5th largest, boasting a nominal GDP of US\$3.4 trillion. On a Purchasing Power Parity (PPP) basis, India's GDP stands at an impressive US\$13.2 trillion, positioning it as the 3rd largest economy globally. This remarkable ascent has been driven by a robust annual growth rate of 7.2% in nominal USD term.

Favourable Demographics

India's demographic dividend, characterized by a young and dynamic workforce, continues to be a significant growth driver. The consistent supply of labour, combined with increasing urbanization and rising literacy rates, provides a solid foundation for sustained economic expansion. India, with the highest population in the world, also features favorable demographics with a vibrant and young population, whose average age is just a tad below 30 years. The young demographics imply that the ratio of working age population is yet to peak, unlike several large economies and other comparable emerging market economies analysis of the demographics suggests that while the incremental addition to the labour force has peaked, it is still large at ~7-8m/annum.]

Upgrade of physical infra – Roads, airports, railways etc

In addition to the upgradation of the 'soft infrastructure; India has also seen a significant infrastructure upgrade program over the last decade. The fiscal tilt of the Modi-2 Government has very much been on infrastructure development, as the government spending on Infrastructure growing 3x between FY20-FY24 to Rs10trn. The sharp jump in capex budgets, despite the COVID related social impact, is driving a significant upgrade of India's physical infrastructure. Focus areas have been railways (including metro rail), roads and airports.

The Structural Steel Market in India: Poised for Growth

India has emerged as the strongest driver of steel demand growth since 2021, and our projections suggest Indian steel demand will continue to charge ahead with 8% growth in its steel demand over 2024 and 2025, driven by continued growth in all steel using sectors and especially by continued strong growth in infrastructure investments. In 2025, steel demand in India is projected to be almost 70 million tonnes higher than in 2020.

Contributions to India's Infrastructure Development

The structural steel industry plays a crucial role in India's rapid infrastructure development. With the Indian Government targeting a US\$5 trillion economy by the 2025 fiscal year, and the aspirations of being the 3rd largest economy by 2027 the prospects for this industry are incredibly bright. However, the Indian structural steel market is not yet mature, leaving substantial room for growth.

Real Estate and Urban Development

The domestic real estate market is also experiencing a surge, particularly with the growing trend of verticalization in residential and commercial buildings. This trend is expected to further fuel the demand for structural steel. Additionally, the rising popularity of pre-engineered buildings and evolving design trends in urban housing are likely to support long-term demand for structural steel. This is further supported by the PMAY scheme: The Government aims to construct 2.95 Crores houses under the Pradhan Mantri Awas Yojana-Gramin (PMAY-G) by FY24. The houses have been already sanctioned and funds have been allocated to different states and UTs. This is expected to boost steel consumption in rural areas.

Government Initiatives and Infrastructure Push- Source

A significant portion of this growth is expected to stem from the Government's continuous push for infrastructure development. Key areas of growth include the expansion of railway stations and metro services nationwide, along with the development of new aviation infrastructure such as airports and logistics hubs. These projects are anticipated to drive substantial demand for structural steel in the coming years.

The National Steel Policy 2017- It outlines a comprehensive plan to foster long-term growth in the Indian steel industry, addressing both demand and supply aspects through FY31. A key initiative within this policy is the provision of preference to domestically manufactured iron and steel products in Government procurement. The policy's objectives include increasing the per capita steel consumption to 160 kgs by FY31. Additionally, the government has implemented measures to ensure a minimum value addition of 15% in specified steel products eligible for preferential procurement. These strategies collectively aim to bolster the Indian steel industry, ensuring its robust development and global competitiveness.

(PLI) Scheme- The Government has approved a Production-Linked Incentive (PLI) Scheme specifically for specialty steel. This initiative aims to boost specialty steel production to 42 million tonnes by the end of FY27. The scheme is expected to result in the production and consumption of approximately ₹2.5 lakh crores worth of specialty steel domestically, reducing the need for imports and strengthening the country's steel industry.

300 MT by 2030: The steel industry has significant growth potential aims to achieve 300 MT production capacity by 2030. The Government has allocated USD 1.4 trillion for the National Infrastructure Pipeline (NIP) between FY19 and FY25, which will accelerate the growth of the steel sector.

Gati Shakti Plan—is designed to maximize the impact of large-scale projects by coordinating planning across various sectors, including industrial corridors, roads, railways, ports, telecom, urban development projects, petroleum pipelines, renewable energy, and the social sector. In 2023, the Network Planning Group (NPG) approved five highway projects totaling ₹15,683. crores across four states. The Gati Shakti Plan aims to rejuvenate India’s infrastructure and transform its multimodal logistics landscape by integrating economic and infrastructural planning with development. This comprehensive approach will pave the way for a robust and interconnected transportation network, significantly boosting demand and growth in the steel sector.

Trillion \$ Opportunity - The minerals and metals sector in India represents a \$1 trillion (about ₹83 lakh crore) opportunity. As the world shifts its focus towards India, seen as a complementary option to China, the potential for growth in this sector is immense. India is striving to become self-reliant, which further amplifies this potential. India is rich in natural resources and is one of the world’s largest producers of crude oil, aluminum, zinc, and silver. The country also holds significant potential in steel and iron ore production. Currently, only about one-third of India’s geological potential has been explored. With appropriate policy reforms, the supply situation could become as robust as demand. Approximately half of India’s imports, worth \$350 billion, consist of minerals and metals, including oil and gas. This indicates a substantial market for domestic production to meet local demand and reduce import dependence. The future of India’s minerals and metals sector looks promising with critical minerals playing a key role. These minerals are crucial for various industries and technological advancements. India’s positioning in this space is vital as the global demand for such minerals continues to rise. India’s move to unlock its full geological potential and reduce import dependency aligns with its broader economic goals. As the nation advances with these initiatives, the minerals and metals sector stands as a cornerstone of India’s future economic landscape.

A Dialogue with Management

1) The information provided in the Annual Report highlights the strengths of RKB Global, could you please elaborate on how the new business model is reinforcing RKB’s position in a highly competitive market? Specifically, how does this model create value for your end consumers, ensuring that RKB not only competes effectively but also delivers superior products and services?

RKB Global’s strategic shift from a trading-focused business model to establishing its own steel manufacturing unit has significantly strengthened the Company’s competitive positioning in the market. By transitioning to manufacturing, we have been able to not only cater to the growing requirements of our end consumers more efficiently but also enhance the value proposition of our products. The manufacturing setup allows us to add value to raw materials, which previously had limited margins in the trading space. This value addition enables us to deliver high-quality, finished steel products that are tailored to specific consumer needs, enhancing customer satisfaction and loyalty. Moreover, the move into manufacturing has allowed us to diversify our customer base, positioning us to serve both domestic and export markets more effectively. One of the most significant competitive advantages is the ability to achieve better profitability. Manufacturing provides us with higher margins compared to trading, where margins were constrained by intense competition and fluctuating market conditions. Additionally, steel manufacturers receive more support from raw material producers, including preferential pricing and supply terms, further boosting our cost efficiencies and overall profitability. Our business model also benefits from several financial and operational advantages. The shift to manufacturing helps us manage tax liabilities more effectively, as depreciation of assets and eligibility for subsidies in backward regions like the Gramin D+ Zone reduce our taxable income. Moreover, by generating green energy through solar power, we ensure sustainable operations while receiving investment returns. Establishing our own plant not only adds value to our products but also strengthens our liquidity, cash flow, and overall financial health by reducing the credit cycle and financial risk. The manufacturing facility enhances the Company’s valuation and provides long-term stability, enabling us to navigate market fluctuations with greater resilience. In conclusion, RKB’s new business model enables us to provide superior value to our end consumers while positioning the Company for sustainable growth, better margins, and competitive strength in both the domestic and international steel markets.

2) Could you please elaborate on how RKB Global’s Total Addressable Market (TAM) extends across various industries, and identify the key sectors that are driving its growth?

RKB Global is strategically positioned to capture a substantial share of the growing steel demand across diverse sectors in India, driven by its portfolio of four major products under the “VIRAT” brand: Welding Rods & Steel Fabrication, Steel Plates & Welding Electrodes, Bright Bars, and Pre-Engineered Buildings & Pre-Fabricated Fencing. These products serve a wide range of industrial applications, including construction, engineering, automotive manufacturing, and machine components. Our target markets prominently include key government sectors, with successful registrations of products such as welding rods, bright bars, and steel plates with entities like Indian Railways, Mazgaon Dock, BEST Bus, and Madhya Pradesh Warehousing Food Corporation Ltd. Additionally, ongoing registrations with organizations like Cochin Shipyard and various defense sectors underscore the escalating demand for our offerings.

RKB Global’s Total Addressable Market (TAM) is bolstered by favorable macroeconomic trends. India’s steel consumption, which reached 120 million tonnes (MT) in FY23, is projected to rise to 130-140 MT by FY24. The Government’s emphasis on infrastructure, through initiatives like Make in India, the Smart Cities Mission, and the National Infrastructure Pipeline, is significantly boosting steel demand across industries such as construction, manufacturing, logistics, and defense. India’s pre-engineered steel buildings market, valued at ₹180 billion in FY23, is anticipated to grow at a robust CAGR of 10.5-11.5%, reaching ₹295-310 billion by FY28. The ongoing industrialization, urbanization, and infrastructure expansion in sectors such as warehousing, airports, and logistics further amplify opportunities for RKB Global.

Moreover, India’s mining and metals sector represents a vast and expanding TAM, driven by the nation’s economic growth, industrialization, and urbanization. The global shift toward renewable energy, electric vehicles, and infrastructure development is driving up demand for critical minerals and metals. India, with its rich resource base—including iron ore, coal, bauxite, zinc, copper, and essential minerals like lithium, nickel, and cobalt—is poised to capitalize on this demand. India’s mining and metals TAM is expected to exceed \$1 trillion, fueled by the Government’s focus on self-reliance, reduced import dependency, and infrastructure growth initiatives. Despite the country having tapped into only about one-third of its geological potential, there remains significant scope for exploration and development. Continued policy reforms, technological advancements, and sustainable practices are expected to strengthen the supply chain, addressing domestic demand and positioning India as a key player globally.

The sector’s TAM will also be driven by rising demand from core industries like construction, automotive, renewable energy, and defense, which heavily rely on metals like steel, aluminum, and copper. The shift towards electric vehicles and energy storage solutions further propels the demand for critical minerals, offering long-term growth prospects for companies within the mining and metals sector. Overall, India’s mining and metals sector is poised for substantial growth, supported by macroeconomic trends,

government policies, and global shifts toward sustainable industrial practices. This creates a massive TAM, offering lucrative opportunities for both emerging and established players to meet evolving industrial demands. With a focus on high-growth sectors such as infrastructure, railways, defense, and industrial construction and mining, coupled with the Government’s capital expenditure drive, RKB Global is well-positioned to capture a significant share of the TAM across these industries, enhancing its market presence and long-term growth potential.

3) Could you provide detailed guidance on the Company’s growth outlook? Specifically, what are the key drivers of growth in the short and long term, and how does the Company plan to capitalize on market opportunities?

RKB Global is well-positioned to capitalize on the numerous growth drivers within the Indian economy and across key global markets. With our strategic focus on infrastructure, industrial growth, and sustainable practices, coupled with our enhanced manufacturing capabilities, we are confident in our ability to achieve sustainable growth and deliver long-term value to our stakeholders.

The Company has set its sights on aggressive growth over the next few years, targeting a 10X increase in manufacturing capacity from where it is now, with an estimated revenue of ₹240 crores by FY24-25. This rapid expansion is a testament to our confidence in the growing demand for steel in key sectors such as infrastructure, industrial manufacturing, and renewable energy. By FY 2026-27, we aim to scale our operations to a ₹1,000 crores, further solidifying our market leadership and enhancing our ability to serve both domestic and international markets. One of the key milestones in our growth journey is the decision to list RKB Global on the stock market. This strategic move will unlock value for our existing stakeholders and provide us with the financial flexibility to pursue further expansion. Listing will also allow us to attract a broader investor base, enhancing our visibility and market presence. The infusion of capital post-listing will be directed towards expanding our manufacturing unit and acquiring advanced mining machinery, positioning us to capitalize on the upcoming allotment of new mines.

The company's long-term growth plan is underpinned by our commitment to increasing production capacity, enhancing operational efficiency, and investing in new technologies and sustainable practices. As the global and domestic steel demand continues to rise, driven by infrastructure projects and the shift toward renewable energy and electric vehicles, we are poised to capture significant market share. The upcoming allotment of new mines will further bolster our raw material supply chain, enabling us to meet the growing demand efficiently. We remain confident in our ability to achieve our growth targets and deliver superior returns to our investors as we continue to expand and innovate across our business.

NOTES

1. The Ministry of Corporate Affairs ('MCA') has vide its General Circular No. 09/2023 dated September 25, 2023 read with General Circular No.10/2022 dated December 28, 2022, General Circular No.14/2020 dated April 08, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 20/2020 dated May 5, 2020 (collectively referred to as "MCA Circulars") permitted convening the Annual General Meeting ('AGM') through video conferencing ('VC') or other audio visual means ('OAVM') without the physical presence of the Members at a common venue. Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. In compliance with the provisions of the Companies Act, 2013 (the 'Act') and MCA Circulars, the 12th AGM of the Company is being held through VC/OAVM. The deemed venue for the AGM will be the Registered Office of the Company.
2. The Explanatory Statement pursuant to Section 102 of the Act setting out material facts concerning the business under Item Nos. 4 to 9 of the Notice, is annexed hereto. Further, the relevant details with respect to Item Nos. 4 to 8 pursuant to Secretarial Standard -2 on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking appointment/re-appointment at this AGM are also annexed. Directors proposed to be appointed/re-appointed at this AGM have furnished the relevant consent for their appointment/re-appointment.
3. A Member entitled to attend and vote at the general meeting is entitled to appoint a proxy, who need not be a Member, to attend and vote on poll on behalf of himself/herself. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, the requirement of physical attendance of Members has been dispensed with. Accordingly, in terms of the MCA Circulars, the facility for appointment of proxies by the Members will not be available for this AGM and hence the proxy form, attendance slip and route map of AGM are not annexed to this notice. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the Members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/ OAVM and cast their votes through e-voting.
4. The Company's Registrar & Share Transfer Agents is M/s. MUFG Intime India Private Limited ('R & TA') located at C 101, 247 Park, Lal Bahadur Shastri Marg, Surya Nagar, Gandhi Nagar, Vikhroli West, Mumbai, Maharashtra 400083 Tel. No.: 022-49186000.
5. The Register of Members and the Share Transfer Books of the Company will remain closed from Wednesday, September 10, 2025 to Wednesday, September 17, 2025 (both days inclusive) for taking record of the Members of the Company for the purpose of AGM.
6. The Members can join the AGM through VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for Members, Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Board Committees, Auditors etc., as per the MCA Circulars.
7. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under section 103 of the Act.
8. Members are informed that in case joint holders attend the Meeting, only such joint holder who is higher in the order of names in the Register of Members/Beneficial Holders will be entitled to vote.
9. Non-Resident Indian (NRI) Members are requested to inform the Company / RTA the following immediately:
 - (i) Change in the residential status on return to India for settling permanently, if any, applicable.
 - (ii) Particulars of NRE Bank Account maintained in India with complete name and address of the Bank, if not furnished earlier.
10. Members desiring any information pertaining to the Financial Statement or any matter to be placed at the AGM, are requested to write to the Investor Relation Officer at cs@rkb.co.in on or before Wednesday, September 10, 2025 through your registered email address so as to enable the Management to reply at the AGM.
11. Electronic copies of all the documents referred to in the accompanying Notice of the AGM shall be made available for inspection electronically without any fee by the Members from the date of circulation of this Notice up to the date of AGM, i.e. till September 17, 2025. Members seeking to inspect such documents can send an email to cs@rkb.co.in during the 12th AGM also and Members may access the scanned copy of Register of Directors and Key Managerial Personnel and their shareholding maintained under section 170 of the Act; the Register of Contracts and Arrangements in which Directors are interested maintained under section 189 of the Act.

12. Voting through Electronic Means:

- a) In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), the Company is providing its Members the facility to exercise their right to vote on resolutions proposed to be considered at the 12th AGM by electronic means (by using the electronic voting system provided by CDSL) either by (a) remote e-voting prior to the AGM or (b) remote e-voting during the AGM. For this purpose, the Company has entered into an agreement with RTA for facilitating voting through electronic means, as the authorized agency. Instructions for Members for attending the AGM through VC/OAVM are explained below.
- b) Subject to the applicable provisions of the Act read with the Rules made there under, as amended, the voting rights of the Members shall be in proportion to their share in the paid up equity share capital of the Company as on the cut-off date for the purpose of remote e-voting, being Wednesday, September 10, 2025. Members are eligible to cast vote only if they are holding shares on Wednesday, September 10, 2025.

Item No. 7

To give authority to make Investments, give Loans, Guarantees and security in excess of limits specified under section 186 of the Companies Act, 2013:

As per the provisions of Section 186 of the Companies Act, 2013, the Board of Directors of a Company can make any loan, investment or give guarantee(s) or provide any security (ies) beyond the prescribed ceiling of i) 60% of the aggregate of the paid-up capital and free reserves and securities premium account or, ii) 100% of its free reserves and securities premium account, whichever is more, if special resolution is passed by the Members of the Company authorizing the same.

To increase the business operations and execute growth plans of the Company, it is felt necessary to give financial flexibility to the Company to invest the funds of the Company in the best interest of the Company. The said investment/loans/guarantees/securities may exceed the limit prescribed under section 186 of the Companies Act, 2013; hence, approval of the Members is required by way of Special Resolution. It is therefore, proposed that the Board of Directors of the Company be authorized to invest into securities of anybody corporate and/or make loan(s) and/or give any guarantee(s)/ provide any security(ies) in connection with loan(s) to any person or body corporate for an amount not exceeding Rs. 500,00,00,000/- (Rupees Five Hundred Crores Only).

The Members at the Extra-ordinary General Meeting held on September 10, 2018 had passed the resolution u/s 186 authorising the Board to make any loan, investment or give guarantee(s) or provide any security(ies) upto Rs. 200 Crores (Rupees Two Hundred Crores only). In view of the increase in operations of the Company, the Board suggested to increase the said limit to Rs. 500 Crores as an enabling power.

The proposed resolution under item no. 7 is the statutory requirement that shareholder should approve the said powers to the Board which will give flexibility to the Board to run the business efficiently and there is no financial interest of the Directors or Key Managerial Person of the Company in the said resolution. Thus, there is no such disclosure require under the clause a (i), (ii) and (iii) or (b) of sub section 1 of Section 102 of the Companies Act, 2013.

The Board of Directors recommends the passing of the Special Resolution set out in the Item No. 7 of the accompanying notice for the approval of the Members.

All documents referred to in the accompanying Notice and Explanatory Statement shall be open for inspection at the Registered as well as Corporate Office of the Company during the working hours of the Company upto and including the date of the ensuing Annual General Meeting.

Item No. 8

To give authority to the Board to borrow money in excess of limit specified u/s 180 (1)(c) of the Companies Act, 2013:

In terms of Section 180(1)(c) of the Companies Act, 2013, approval of the Members by means of a special resolution is required to enable the Board of Directors to borrow money in excess of paid up share capital of the Company and its free reserves and securities premium.

The Company has expansion plans for which it would require funds. In order to fund the expansion plans and working capital requirements, the Company may borrow funds from various sources. Hence, to enable the Company to borrow the money when requirement arises, it is proposed to give power to the Company to borrow upto Rs. 1500,00,00,000/- (Rupees One Thousand Five Hundred Crores Only).

The Members at the Extra-ordinary General Meeting held on September 10, 2018 had passed the resolution u/s 180(1)(c) authorising the Board to borrow money upto Rs. 500,00,00,000/- (Rupees Five Hundred Crore only). In view of the increase in operations of the Company and the requirement of funds in short term and long term basis, the Board suggested to increase the said limit to Rs. 1500,00,00,000/- as an enabling power.

The proposed resolution under Item No. 8 is to authorize the Board to borrow in excess of the aggregate of the paid-up capital and free reserves and securities premium provided that the total amounts so borrowed (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) and outstanding at any time, shall not exceed Rs. 1500,00,00,000/- (Rupees One Thousand Five Hundred Crores Only).

The above resolution/authority is the statutory requirement that shareholder should approve the said powers and there is no financial interest of the Directors or KMP of the Company in the said resolution. Thus, there is no such disclosure require under sub-section 1 of Section 102 of the Companies Act, 2013.

The Board of Directors recommends the passing of the Special Resolution set out in the Item No. 8 of the accompanying notice for the approval of the Members.

All documents referred to in the accompanying Notice and Explanatory Statement shall be open for inspection at the Registered as well as Corporate Office of the Company during the working hours of the Company upto and including the date of the ensuing Annual General Meeting.

Item No. 9**To give authority to the Directors u/s 180 (1)(a) of the Companies Act, 2013:**

Section 180(1)(a) of the Companies Act, 2013 provides that the Board of Directors shall not, without the consent of the Company in general meeting, sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company or where the Company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings. The Management, as business decision, may decide to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the Company. Further, the Company will obtain loans/financial assistance from various Banks/Financial Institutions or other allowed sources from time to time for its business purposes. Also the Company may give its assets as security for loan taken by other entity. As the borrowings of the Company may, if necessary, be secured by way of Charge/Mortgage/Hypothecation on the Company's assets in favour of the lenders, it is necessary to pass a resolution u/s 180(1) (a) of the Act for creation of Charge/Mortgage/ Hypothecation for an amount not exceeding the borrowing limit of the Company as approved by the Members of the Company, from time to time, in terms of Section 180(1)(c) of the Companies Act, 2013.

The Members at the Extra-ordinary General Meeting held on September 10, 2018 had passed the resolution u/s 180(1)(a) authorising the Board to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking or create charge on the assets of the Company.

The proposed resolution under Item No. 9 is to authorize the Board to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the Company or to create mortgage or security on the property/assets of the Company in favour of lenders/banks/financial institution or any other person from whom the Company borrows money for its business purpose or monies borrowed by other entities.

The above resolution/authority is the statutory requirement that shareholder should approve the said powers and there is no financial interest of the Directors or KMP of the Company in the said resolution. Thus, there is no such disclosure require under sub-section 1 of Section 102 of the Companies Act, 2013.

The Board of Directors recommends the passing of the Special Resolution set out in the Item No. 9 of the accompanying notice for the approval of the Members.

All documents referred to in the accompanying Notice and Explanatory Statement shall be open for inspection at the Registered as well as Corporate Office of the Company during the working hours of the Company upto and including the date of the ensuing Annual General Meeting.

Item No. 10:**To appoint Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) as a Non-Executive, Independent Director:**

In order to have more independence view on the Board, it is felt to appoint one more Independent Director on the Board who is having strong financial background.

Accordingly, the Board of Directors, on the basis of recommendation of the Nomination and Remuneration Committee, by passing resolution in its meeting held on August 22, 2025 has appointed Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) as an Additional Independent Director of the Company, not liable to retire by rotation, for a term of 5 (five) years w.e.f. August 22, 2025 to August 21 2030 subject to approval of the Members.

Pursuant to the provisions of Section 161(1) of the Act and the Articles of Association of the Company, as an Additional Director he holds office up to the date of this Annual General Meeting ("AGM") and is eligible to be appointed as a Director. The Company has, in terms of Section 160(1) of the Act, received in writing notices from a Member, proposing candidature of Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) for the office of Director.

The Company has received declaration from Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act read with the Rules framed thereunder. In the opinion of the Board, he fulfils the conditions specified in the Act and the Rules for appointment as an Independent Director and he is independent of the Management of the Company.

The Company has received following documents and declaration from Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605):

- a) consents to act as Directors in the prescribed form DIR-2 pursuant to Section 152 of the Companies Act, 2013 and Rule 8 of the Companies (Appointment and Qualification of Directors) Rules 2014,
- b) Letter of intimation in the prescribed form DIR-8 pursuant to Section 164 of the Companies Act, 2013 and Rule 14 of Companies (Appointment and Qualification of Directors) Rules, 2014 to the effect that he is not disqualified to become Director under the Act, and
- c) Declaration that he meets the criteria of independence as provided in Section 149 of the Act and he is not aware of any circumstances or situations, which exists or may be reasonably anticipated, that could impair or impact his ability to discharge his duties with an objective independent judgment and without any external influence and that he is independent of the management and that he is not disqualified to become a Director under the Act.

The Nomination and Remuneration Committee has recommended appointment of Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) as an Independent Director for a term of 5 (five) consecutive years. In the opinion of the Board of Directors Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) fulfils the conditions specified in the Act, Rules made thereunder and Schedule IV of the Act, as amended, for his appointment as Independent Director of the Company and that he is independent of the Management and is not disqualified to become Director under the Act and possesses appropriate skills, experience, knowledge and capabilities required for the role of Independent Director. The Board believes that his association would be of immense benefit to the Company and it is desirable to avail his services as an Independent Director. Accordingly, the Board of Directors has appointed him as Independent Director of the Company, not liable to retire by rotation, for a term of 5 (five) years w.e.f. August 22, 2025 to August 21, 2030.

The brief profile of Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) pursuant to the provisions of Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India is given in the Annexure to the Notice convening this AGM and which shall form part of the Explanatory Statement.

He shall be entitled to receive the sitting fees for attending meetings of the Board or Committees thereof, reimbursement of expenses for participating in the Board and Committee meetings, as permitted to be received in a capacity of the Independent Director pursuant to the provisions of Sections 149, 197 and other applicable provisions of the Act and the Rules made thereunder, as recommended by the Nomination and Remuneration Committee and approved by the Board of Directors and Members of the Company from time to time.

The terms and conditions of his appointment and all other documents referred to in the accompanying Notice and Explanatory Statement shall be open for inspection without any fee by the Members from the date of circulation of this Notice up to and including the date of this AGM at the Registered as well as Corporate Office of the Company during the working hours of the Company.

Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) and his relatives are concerned or interested in the Resolution mentioned at Item No. 10 relating to his own appointment. None of the other Directors and Key Managerial Personnel of the Company or their respective relatives are in any way, concerned or interested, in the Resolution set out at Item No. 10 of the Notice.

In accordance with the provisions of Section 149 read with Schedule IV of the Act and other applicable provisions of the Act, appointment of Mr. Kashyap Krishnaprasad Vaidya (DIN: 01955605) as an Independent Director requires approval of Members of the Company by passing an Ordinary Resolution.

Accordingly, the Board recommends the Ordinary Resolution at Item No. 10 for approval by the Members.

Item No. 11

To Re-classify the Authorised Share Capital of the Company

The Company, in order to meet its long-term capital requirement for funding its growth, is required to issue additional shares. It is therefore deemed appropriate to re-classify the Authorised Share Capital by re-classification of the unissued part of Authorised preference share capital into equity shares, and for that purpose, Clause V of the Memorandum of Association of the Company is proposed to be suitably amended as set out in the proposed resolution.

The Company has accordingly proposed to re-classify 25,50,000 (Twenty Five Lakh Fifty Thousand) Unissued Preference Shares of the face value of Rs. 10/- (Rupees Ten Only) each aggregating to Rs. 2,55,00,000/- (Rupees Two Crore Fifty Five Lakh Only) into 25,50,000 (Twenty Five Lakh Fifty Thousand) Equity Shares of face value of Rs. 10/- (Rupees Ten Only) each aggregating to Rs. 2,55,00,000 (Rupees Two Crore Fifty Five Lakh Only).

The provisions of Section 13, 61 read with Section 64 of the Companies Act, 2013 and the Articles of Association of the Company require the Company to obtain the approval of the Members by way of passing ordinary resolution for re-classification of the Authorised Share Capital and for the alteration of capital clause of the Memorandum of Association of the Company.

The Board, therefore, recommends to the shareholders adoption of the resolution as set out in item no. 11 of the Notice as an ordinary resolution.

Following are the additional disclosures pursuant to Point 1.2.5 of the Secretarial Standards – 2 and Section 102 of the Companies Act, 2013:

- the nature of the concern or interest (financial or otherwise) of directors, manager and key managerial personnel and their relatives – **None of the directors, managers, key managerial personnel and their relatives are concerned or interested in the proposed resolution.**
- any other information and facts that may enable the members to understand the meaning scope and implications of the items of business and to take a decision thereon - **As explained in the explanatory statement above.**
- any item of Special Business to be transacted at the meeting relates to or affects any other Company, the extent of shareholding interest in that other Company of every promoter, director, manager and of every other key managerial personnel of the first mentioned company, if such shareholding is not less than two percent of the paid-up share capital of that company – **Not Applicable**
- any document, contract, agreement, the Memorandum of Association or Articles of Association referred to any business to be transacted at the meeting, specification of time and place for inspection of such document – **A copy of the existing Memorandum of Association and draft of the Amended Memorandum of Association** shall be open for inspection without any fee by the Members from the date of circulation of this Notice up to and including the date of this AGM at the Registered as well as Corporate Office of the Company during the working hours of the Company.

The Company intends to, at the discretion of the board of directors of the Company (“**Board**”), undertake the Offer and list its Equity Shares at an opportune time in consultation with the book running lead manager (“**BRLM**”) and other advisors and subject to applicable regulatory approvals and other approvals, to the extent necessary. The Board has in its meeting held on 22nd August, 2025 approved the Offer, subject to the approval of the members of the Company.

With respect to the Offer, the Company will be required to file a draft red herring prospectus (the “**DRHP**”) with the Securities and Exchange Board of India (the “**SEBI**”) and the Stock Exchanges, and subsequently file a red herring prospectus (the “RHP”) with the Registrar of Companies, Maharashtra at Mumbai (“**RoC**”) and thereafter with SEBI, and the Stock Exchanges and file a prospectus with the RoC and thereafter with SEBI and the Stock Exchanges in respect of the Offer (the “**Prospectus**”, and together with the DRHP and the RHP, the “**Offer Documents**”), in accordance with the SEBI ICDR Regulations, the Companies Act, 2013, and the rules notified thereunder (including any statutory modification(s) or re-enactment thereof, for the time being in force) (collectively referred to as the “**Companies Act**”) and other applicable laws.

Material information pertaining to the Offer is as follows:

(i) *Offer Price:*

The price at which the Equity Shares will be allotted through the Offer shall be determined and finalized by the Company in consultation with the book running lead managers, in accordance with the SEBI ICDR Regulations, on the basis of the book building process.

(ii) *Intention of Directors/Key management personnel to subscribe to the Offer:*

The Company has not made and will not make an offer of Equity Shares to any of the directors or key management personnel. However, the directors or the key management personnel may apply for the Equity Shares in the various categories under an Offer in accordance with applicable law, including the SEBI ICDR Regulations.

(iii) *Whether a change in control is intended or expected:*

No change in control of the Company or its management is intended or expected pursuant to the Offer.

The Equity Shares are proposed to be listed on the BSE Limited, the National Stock Exchange of India Limited and any other stock exchange as determined by the Board at its absolute discretion and the Company will be required to enter into listing agreements with each of the Stock Exchanges.

None of the Directors, Key Managerial Personnel of the Company, or their relatives are concerned or interested in this resolution, except to the extent of their shareholding in the Company or as mentioned above.

The Board of Directors recommends the passing of the Special Resolution set out in the Item No. 12 of the accompanying notice for the approval of the Members.

All documents referred to in the accompanying Notice and Explanatory Statement shall be open for inspection at the Registered as well as Corporate Office of the Company during the working hours of the Company upto and including the date of the ensuing Annual General Meeting.

Vikram Shah & Co., Chartered Accountants, (FRN: 131270W) as the Internal Auditors of the Company for the financial year 2024-25.

18. AUDITORS' REPORT:**a) Statutory Audit Report:**

The management of your Company hereby provides explanation and general comment on the following qualification made by the statutory auditors of the Company in their audit report for the year under review:

Qualification:

(a) The Company has recognized revenue for export sales to customer Prisha International PTE Ltd. amounting to Rs.1,628.52 lakhs (\$ 19,15,908 USD) vide tax invoice dated 23.12.2024, Golstone Overseas PTE Ltd. amounting to Rs.2,308.02 lakhs (\$ 26,83,750 USD) vide tax invoice dated 20.3.2025 and Samaira International Limited amounting to Rs.2,213.40 lakhs (\$ 26,04,000 USD) vide tax invoice dated 15.3.2025. As per IND AS 115: Revenue from Contracts, an entity shall recognize revenue when the entity satisfies a performance obligation by transferring promised shall recognize revenue when the entity satisfies a performance obligation by transferring promised goods or service (i.e. an asset) to a customer. As observed during course of our Audit and as per enquiries made with Company's management, the goods have not been transferred to the customer as on the date of this Audit report. Accordingly, the revenue from operations and trade receivables are overstated to that extent.

Reply from Management:

We wish to clarify that our sales contracts are irrevocable, and ownership of the goods transfers to the buyer upon contract execution and receipt of an advance payment, not upon physical delivery. Advances have been received for each of the three deliveries in question. The delay in loading was due to external factors, specifically the mandatory halt on shipping imposed by the Goa Directorate of Mines and Geology (DMG) and procedural delays associated with the new "Bhumija" government portal, which manages permits and tracks iron ore transportation in Goa. Management emphasizes that they are legally bound to complete these transactions as recorded in books, as failure to deliver would expose the company to legal action and significant financial penalties from the buyer.

(b) Indian Accounting Standard (IND AS) 109, Financial Instruments, requires the company for recognition of lifetime expected credit losses on trade receivables using provision matrix and Indian Accounting Standard (IND AS) 107, Financial Instruments: Disclosures, requires the company to make disclosures in respect of financial risk management objectives and policies of the company in the Standalone Financial Statements. However, the company has not made compliance in respect of the same in the Standalone Financial Statements as at 31st March, 2025. The Company has trade receivables amounting to Rs.618.32 lakhs which are due for more than 3 years as at 31st March, 2025.

Reply from Management:

The company has initiated legal proceedings to recover long overdue outstanding dues from parties and is optimistic about receiving these payments. Through diligent efforts, the company has already recovered INR 300 lacs against the total overdue amount of INR 618.32 lacs. In light of these developments, management does not believe there is any Expected Credit Loss (ECL) in the aforementioned receivables account.

b) Secretarial Audit Report:

Pursuant to the provisions of Section 204 of the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board had appointed M/s. J Nishad and Co (COP: 23388), Practicing Company Secretaries, to undertake the Secretarial Audit of the Company for the financial year 2024-25 and issue Secretarial Audit Report. Secretarial Audit Report issued by M/s. J Nishad and Co for the financial year 2024-25 in Form MR-3 forms part of this report and annexed hereto as **Annexure -IV**.

There is no qualification, reservation or adverse remark given by the Secretarial Auditors in its Report so no explanation is required.

As per IND AS 115: Revenue from Contracts, an entity shall recognize revenue when the entity satisfies a performance obligation by transferring promised goods or service (i.e. an asset) to a customer. As observed during course of our Audit and as per enquiries made with Company's management, the goods have not been transferred to the customer as on the date of this Audit report. Accordingly, the revenue from operations and trade receivables are overstated to that extent. The Company has received sale proceeds of Rs. 85.71 lakhs in case of customer Prisha International PTE Ltd. till the date of this Audit report.

2. Indian Accounting Standard (IND AS) 109, Financial Instruments, requires the company for recognition of lifetime expected credit losses on trade receivables using provision matrix and Indian Accounting Standard (IND AS) 107, Financial Instruments: Disclosures, requires the company to make disclosures in respect of financial risk management objectives and policies of the company in the Standalone Financial Statements. However, the company has not made compliance in respect of the same in the Standalone Financial Statements as at 31st March, 2025.

The Company has trade receivables amounting to Rs.618.32 lakhs which are due for more than 3 years as at 31st March, 2025 as compared to Rs. 1,253.95 lakhs in the previous year

We are unable to comment on the possible consequential effects of the above qualifications, if any, on these standalone financial statements.

Basis for Qualified Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of matter

We draw attention to following matters pertaining to RKB Global Limited, requiring emphasis by us.

1. During F.Y. 2024-25, the Company has deducted Rs.346.06 lakhs from Retained Earnings which represents amounts paid to legal and professional advisers. These costs are directly attributable to equity transactions and are deducted as per provisions of IND AS 32 para 37 Financial Instruments.

2. During F.Y. 2024-25, the Company has purchased personal properties of the directors amounting to Rs. 1,174.18 lakhs and has paid consideration amounting to Rs. 1,174.18 lakhs to the directors against purchase of the said properties upto 31st March, 2025. A list of the properties purchased by the Company is given in clause (i) (c) of Annexure – A to this report. As enquired with the Company's management, the said personal properties were earlier mortgaged to the bank against which the Company had obtained banking facilities.
3. During F.Y. 2024-25, the Company has recognized Industrial Promotion Subsidy of Rs 141.03 lakhs receivable from and approved by Government of Maharashtra, Industries Directorate vide its letter dated 15.3.2023 for its factory plant at Wada. The said subsidy is credited to the statement of Profit and Loss and is disclosed under Other Income.

Our opinion is not qualified in respect of above matters.

Key Audit matters

Key Audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Standalone financial statements.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone and consolidated financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the IND-AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and the Board of the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') as amended, issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the said order.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of accounts, as required by law have been kept by the company, so far as it appears from our examination of the books ;
 - (c) The Balance Sheet, the statement of Profit and Loss and the cash flow statement dealt with by this report are in agreement with the books of account;

- (d) In our opinion, the aforesaid standalone financial statements comply with the applicable Indian Accounting standards specified under section 133 of the Act read with the Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of written representations received from the directors as on March 31, 2025 and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations, on its financial position in its standalone financial statements. Refer Note 35 to the standalone financial statements.
 - The Company did not have any long-term contracts pending on the balance sheet date, including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise and;
 - There were no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company.
- (i) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its joint operation companies incorporated in India to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or its joint operation companies incorporated in India or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries; (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company or its joint operation from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or its joint operation companies incorporated in India shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) (i) and (i) (ii) above contain any material misstatement.
- (j) The Company has neither declared nor paid any dividend during the year; hence the compliance with Section 123 of the Act in respect of dividend does not arise.
- (k) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software.

Annexure A

to the Independent Auditor's Report

The Annexure referred to in Independent Auditor's Report to the members of the Company on the standalone financial statements for the year ended March 31, 2025.

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:-

- i. (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment (PPE).
- (B) (a) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and the management representation letter provided to us, the Company has a regular programme of physical verification of its Property, Plant and

Equipment by which all property, plant and equipment are verified in a phased manner atleast once in every three years. In accordance with this programme, certain property, plant and equipment were verified during the year and the discrepancies noticed on verification were not material and have been appropriately dealt with in the books of accounts. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Proper records of verification of fixed assets carried out during the year were not made available to us for verification.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company on the balance sheet date except in case of immovable properties held under Capital work-in-progress as under :-

- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any Benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made there under.

ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedure and coverage as followed by the management were appropriate. No discrepancies were noticed on verification between the physical stock and book records that were more than 10% in the aggregate of each class of inventory. There are no stocks which are in transit. As informed to us by the management and based on our audit, there are no stocks which are lying with third parties.

(b) Further we have broadly reviewed the books of accounts maintained by the Company, whereby the Company has been sanctioned working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets. We state that the quarterly returns or statements filed by the Company with such banks or financial institutions are not in agreement with the books of accounts of the Company, details of which are as under:-

Annexure B

to the Independent Auditor's Report on the Standalone financial statements of RKB Global Limited

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of RKB Global Limited ('the Company') as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our Opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31st March 2025, based on the internal controls with reference to standalone financial statements criteria established by the company considering the essentials components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

PPE is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition or construction of PPE comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use. When parts of an item of PPE having significant cost have different useful lives, then they are accounted for as separate items (major components) of PPE. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance cost are charged to the Standalone Statement of Profit and Loss during the year in which they are incurred. Gains or losses arising on retirement or disposal of PPE are recognised in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under "Other Non-Current Assets".

Depreciation is provided on a pro-rata basis on the written down value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Freehold land if any is not depreciated. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

8 Income Taxes Assets (Net)

- i Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates for the relevant period & any adjustment to taxes in respect of previous years. Interest expenses and penalties if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to income tax is included in other income.
- ii Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.
- iii Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts & there is an intention to settle the asset and the liability on a net basis. Deferred tax assets ("DTA") and deferred tax liabilities ("DTL") are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities, and the DTA and DTL relate to income taxes levied by the same taxation authority.
- iv **Uncertain Tax position:** Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The provision is estimated based on the single most likely amount method resulting in possible future cash outlays.

9 Inventories

Inventories are valued at lower of cost and net realisable value. Cost is computed on a weighted average basis. Cost of raw materials & stores and spares includes cost of purchase and other costs incurred in bringing the inventories to their present location & condition. The aforesaid items are valued at net realisable value if the finished products in which they are to be incorporated are expected to be sold at a loss.

Cost of finished goods and work-in-progress if any include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

18 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the the present obligation at the Balance Sheet date. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. The provisions for indirect taxes and legal matters comprises of numerous separate cases that arise in the ordinary course of the business. These provisions have not been accounted as it is not practicable for the Company to estimate the provision utilisation and cash outflows, if any, pending resolution. The Company does not expect any reimbursements in respect of the above provisions.

22 Revenue from operations

Sale of products:- Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the the time of dispatch, delivery or upon formal customer acceptance depending on customer terms. Revenue is measured on the basis of contracted price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Notes

34 Financial Instruments:

Financial Assets (FAs):- FAs are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a FAs is recognised at fair value. In case of FAs which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the FA. FAs are subsequently classified and measured at

- amortized cost
- fair value through profit and loss (FVTPL)

FAs are not reclassified subsequent to their recognition, except during the period the Company changes its business for managing FAs.

Trade Receivables (TRs) and Loans:-TRs are initially recognised at fair value. Subsequently, these assets are held at amortized cost, net of any expected credit losses.

'Debt Instruments:- Investment in term deposits are initially measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss ('FVTPL') till derecognition on the basis of

- i the Company's business model for managing the financial assets and
- ii the contractual cash flow characteristics of the financial asset.
- i **Measured at amortised cost:** - Financial assets that are held within a business model, whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost less impairment, if any. The loss arising from impairment, if any is recognised in the Statement of Profit and Loss.
- ii **Measured at fair value through other comprehensive income (FVOCI):** - Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost less impairment, if any. The loss arising from impairment, if any is recognised in the Statement of Profit and Loss.
- iii **Measured at fair value through profit or loss (FVTPL):** A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income & dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments: - All investments in equity instruments (listed equity securities from which dividend if any are received) classified under financial assets are initially measured at fair value; the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument are recognised as 'other income' in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments if any are recognised as 'other income' in the Statement of Profit and Loss.

Impairment of Financial Asset:- The Company applies expected credit loss (ECL) model for measurement and recognition of loss allowance on the following:

- i Trade receivables
- ii Financial assets measured at amortized cost (other than trade receivables)

Notes

to the Financial Statements for the year ended 31st March 2025

- iii Financial assets measured at fair value through other comprehensive income, if any (FVTOCI). In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance.

In case of other assets (listed as ii and iii above), the Company determines if there has been a significant increase in credit risk of financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL (recovery of assets is not possible resulting in doubtful debts, if any) is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance. Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12-month ECL. ECL is difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that months from the reporting date. ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions. ECL allowance recognised (or reversed) during the period is recognised as income/expense in the Statement of Profit and Loss under the head 'Other expenses'

Write-off - The gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering the financial asset in its entirety or a portion thereof.

Financial Liabilities:

Initial recognition and measurement : Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost.

Subsequent measurement : Financial liabilities are subsequently measured at amortised cost. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss account.

Derecognition : A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of Profit and Loss.

Impact of Pending Litigation

The claims against the Company primarily represent demands arising on completion of assessment proceedings under the Income Tax Act, 1961. These claims are on account of issues of disallowances such as disallowance of contingent liabilities reported in tax audit report, adjustments made for delay in depositing employee contributions to welfare funds, adjustment on account of double disallowance, full credit not given of TDS / TCS etc. These matters are pending before the Commissioner of Income Tax (Appeals) and the management including its tax advisors expect that its position will likely be upheld on ultimate resolution and will not have a material adverse effect on the Company's financial position and results of operations.

- 3 The Company has not received any intimation from the suppliers regarding their status under "Micro, Small & Medium Enterprises Development Act, 2006" and hence disclosures, if any, relating to amounts unpaid as at the year-end together with interest paid / payable as required under the said Act have not been furnished.
- 4 Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification.

INDEPENDENT AUDITOR'S REPORT

To the Members of RKB Global Limited

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying Consolidated Financial Statements of RKB Global Limited ("the Holding Company") and its subsidiaries (the holding company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity for the year then ended, and notes forming part of the Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('IND AS') specified under section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at March 31, 2025, its consolidated profit (consolidated financial performance including other comprehensive income) and its consolidated cash flows for the year ended on that date except the following:-

- The Holding Company has recognized revenue for export sales to customer Prisha International PTE Ltd. amounting to Rs.1,628.52 lakhs (\$ 19,15,908 USD) vide tax invoice dated 23.12.2024, Golstone Overseas PTE Ltd. amounting to Rs.2,308.02 lakhs (\$ 26,83,750 USD) vide tax invoice dated 20.3.2025 and Samaira International Limited amounting to Rs.2213.40 lakhs (\$ 26,04,000 USD). As per IND AS 115: Revenue from Contracts, an entity shall recognize revenue when the entity satisfies a performance obligation by transferring promised goods or services (i.e. an asset) to a customer. As observed during course of our Audit and as per enquiries made with Holding Company's management, the goods have not been transferred to the customer as on the date of this Audit report. Accordingly, the revenue from operations and trade receivables of the holding company are overstated to that extent. The Holding Company has received sale proceeds of Rs. 85.71 lakhs in case of customer Prisha International PTE Ltd. till the date of this Audit report.
- Indian Accounting Standard (IND AS) 109, Financial Instruments, requires the company for recognition of lifetime expected credit losses on trade receivables using provision matrix and Indian Accounting Standard (IND AS) 107, Financial Instruments: Disclosures, requires the company to make disclosures in respect of financial risk management objectives and policies of the company in the Standalone Financial Statements. However, the holding company has not made compliance in respect of the same in the Standalone Financial Statements as at 31st March, 2025.

The Holding Company has trade receivables amounting to Rs.618.32 lakhs which are due for more than 3 years as at 31st March, 2025 as compared to Rs. 1,253.95 lakhs in the previous year.

We are unable to comment on the possible consequential effects of the above qualifications, if any, on these consolidated financial statements.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Emphasis of matter

We draw attention to following matters pertaining to the holding company RKB Global Limited requiring emphasis by us.

- During F.Y. 2024-25, the Holding Company has deducted Rs.346.06 lakhs from Retained Earnings which represents amounts paid to legal and professional advisers. These costs are directly attributable to equity transactions and are deducted as per provisions of IND AS 32 para 37 Financial Instruments.
- During F.Y. 2024-25, the Holding Company has purchased personal properties of the directors amounting to Rs.1,174.18 lakhs and has paid consideration amounting to Rs.1,174.18 lakhs to the directors against purchase of the said properties upto 31st March, 2025. A list of the properties purchased by the Holding Company is given in clause (i)(c) of Annexure – A to the Audit report on the Standalone Financial Statements of the company. As enquired with the Holding Company's management, the said personal properties were earlier mortgaged to the bank against which the Company had obtained banking facilities.
- During F.Y. 2024-25, the Holding Company has recognized Industrial Promotion Subsidy of Rs. 141.03 lakhs receivable from and approved by Government of Maharashtra, Industries Directorate vide its letter dated 15.3.2023 for its factory plant at Wada. The said subsidy is credited to the statement of Profit and Loss and is disclosed under Other Income.
Our opinion is not qualified in respect of above matters.

Key Audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial Statements.

Sl. no.	Key Audit Matters	Auditor's response
1.	<p>Revenue Recognition</p> <p>Revenue is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer.</p> <p>Determining the accrual for rebates and discounts (variable consideration) involves estimation based on applicable promotional schemes and the potential claims expected to be raised by the customers.</p> <p>Accordingly, recognition of revenue based on the transfer of control to customers and estimation of accrual for variable consideration including rebates and discounts have been considered to be key audit matters.</p>	<p>Principal Audit Procedures</p> <p>Our audit procedures in respect of the recognition of revenue included the following:</p> <ul style="list-style-type: none"> Assessed the holding company's accounting policies relating to revenue recognition and accrual for rebates and discounts by comparing them with the applicable Indian accounting standards; Tested design and operating effectiveness of the holding company's internal controls over recognition of revenue and estimating accruals for rebates and discounts; Examined sales invoices and dispatch/shipping documents for selected samples of revenue to verify that revenue has been recognised only once control has passed to the customer; Performed retrospective review to identify any management bias with respect to accrual for rebates and discounts;
2.	<p>Measurement of inventory quantities of steel / iron ore</p> <p>As at March 31, 2025 the Holding Company has steel / iron ore inventory of Rs.8,597.51 lakhs. This was determined a key audit matter, as the measurement of these inventory quantities lying at the warehouse / ores involves significant judgment and estimate resulting from measuring the quantity / surface area. The Company uses internal and external experts, to perform volumetric assessments, basis which the quantity for these inventories is estimated.</p>	<p>Principal Audit Procedures</p> <ul style="list-style-type: none"> We have obtained an understanding and have evaluated the design and operating effectiveness of controls over physical count and measurement of such inventory; We have evaluated the competency and capabilities of management's experts for quantification of the inventories on sample basis. We have physically observed inventory measurement and count procedures carried out by management using experts spanning over our engagement period, to ensure its appropriateness and completeness; and Our audit procedures also included obtaining and inspecting, inventory measurement and physical count results for such inventories, including assessing and evaluating the results of analysis performed by management in respect of differences between book and physical quantities. We have also verified that the physical verification differences are appropriately accounted for in the books of accounts.

Other Matters

1. We did not audit the financial statements of 2 subsidiaries whose financial statements reflect total assets of Rs. 191.32 lakhs as at 31st March, 2025 and total revenues - **NIL** for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management of the holding company and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Our opinion is not qualified in respect of above matters.

Information other than the consolidated financial statements and auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this Auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Other Information and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the

preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Financial Statements. Further, in terms of the provisions of the Act, the respective Board of Directors/management of the companies included in the Group, covered under the Act are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the group.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group (covered under the Act) has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of such entities or business

activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which has been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph titled "Other Matters" in this audit report.

Materiality is the magnitude of misstatement in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable, knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in:

- (i) Planning the scope of our audit work and in evaluating the results of our work and
- (ii) To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in term of sub-section (11) of Section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that, except for the possible effect of the matters described in the Basis for Opinion paragraph:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Financial Statements;
 - b. In our opinion, proper books of account as required by law relating to the preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the Consolidated Financial Statements;
 - d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, except IND AS 109: Financial Instruments, IND AS 107: Financial Instruments: Disclosures and IND AS 36: Impairment of Assets.
 - e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025, taken on record by the Board of Directors and the report of the statutory auditor of its subsidiary companies, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group covered under the Act, and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - g. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us the remuneration paid during the current year by the Holding Company and its subsidiary companies incorporated in India, where applicable, to its directors is in accordance with the provisions of Section 197 read with Schedule V to the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries as noted in the "Other Matter" paragraph:-
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note No. 36 to the Consolidated Financial Statements;
 - ii. The Group does not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.
 - i. (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India or provide any guarantee security or the like to or on behalf of the Ultimate Beneficiaries; (ii) The management has represented, that, to the best of its knowledge and

belief, no funds have been received by the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (h) (i) and (h) (ii) contain any material misstatement.

- j. The Holding Company has neither declared nor paid any dividend during the year. The Subsidiary Companies have also neither declared nor paid any dividend during the year; hence the compliance with Section 123 of the Act in respect of dividend does not arise.
- k. Based on our examination which included test checks, performed by us on the Holding Company and based on the consideration of reports of the other auditors of the subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act, except for the instances mentioned below, the Holding Company and subsidiaries have used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

Annexure B

to the Independent Auditor's Report on the Consolidated Financial Statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to Consolidated Financial Statements of RKB Global Limited as of 31st March, 2025 in conjunction with our audit of the Consolidated Financial Statements of RKB Global Limited ('the Holding Company') and its subsidiary company (the Holding Company and its subsidiary together referred to as 'the Group') for the year ended on that date.

Opinion

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies, have in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31st March 2025, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note")

Responsibilities of management and those charged with governance for internal financial controls

The respective Board of Directors of the Holding Company and its subsidiary company, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' responsibility

Our responsibility is to express an opinion on the Holding company's internal financial controls over financial reporting with

reference to these Consolidated Financial Statements as aforesaid based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding company's internal financial controls system over financial reporting with reference to these Consolidated Financial Statements.

Meaning of internal financial controls over financial reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles,

and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other matters

Our aforesaid report under Sub-section 3 (i) of Section 143 of the Act, on the internal financial controls with reference to Consolidated Financial Statements in so far as applicable to subsidiary company is based on the corresponding report of the auditor of subsidiary company.

Note - 3 : Property, Plant and Equipment & Intangible Assets

(a) Property, Plant and Equipment (PPE):

PARTICULARS	₹ in lakhs	
	As at 31-Mar-2025	As at 31-Mar-2024
Owned Assets	4,890.81	2,918.98
Leased Assets	-	-
Total PPEs	4,890.81	2,918.98
Non Current Assets Held for Sale	-	-
Capital WIP	2,023.88	1,492.02

PPE is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition or construction of PPE comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use. When parts of an item of PPE having significant cost have different useful lives, then they are accounted for as separate items (major components) of PPE. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance cost are charged to the Consolidated Statement of Profit and Loss during the year in which they are incurred. Gains or losses arising on retirement or disposal of PPE are recognised in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under "Other Non-Current Assets".

Depreciation is provided on a pro-rata basis on the written down value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Freehold land if any is not depreciated. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

8 Income Tax Assets (Net)

- i Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates for the relevant period & any adjustment to taxes in respect of previous years. Interest expenses and penalties if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to income tax is included in other income.
- ii Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.
- iii Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts & there is an intention to settle the asset and the liability on a net basis. Deferred tax assets ("DTA") and deferred tax liabilities ("DTL") are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the DTA and DTL relate to income taxes levied by the same taxation authority.
- iv **Uncertain Tax position:** Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The provision is estimated based on the single most likely amount method resulting in possible future cash outlays.

9 Inventories

Inventories are valued at lower of cost and net realisable value. Cost is computed on a weighted average basis. Cost of raw materials & stores and spares includes cost of purchase and other costs incurred in bringing the inventories to their present location & condition.

The aforesaid items are valued at net realisable value if the finished products in which they are to be incorporated are expected to be sold at a loss.

Cost of finished goods and work-in-progress if any include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

18 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required

Notes

to the Financial Statements for the year ended 31st March 2025

to settle the the present obligation at the Balance Sheet date. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. The provisions for indirect taxes and legal matters comprises of numerous separate cases that arise in the ordinary course of the business. These provisions have not been accounted as it is not practicable for the Company to estimate the provision utilisation and cash outflows, if any, pending resolution. The Company does not expect any reimbursements in respect of the above provisions.

35 Financial Instruments:

Financial Assets (FAs):- FAs are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a FAs is recognised at fair value. In case of FAs which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the FA. FAs are subsequently classified and measured at '- amortized cost.

- fair value through profit and loss (FVTPL)

FAs are not reclassified subsequent to their recognition, except during the period the Company changes its business for managing FAs.

Trade Receivables (TRs) and Loans:-TRs are initially recognised at fair value. Subsequently, these assets are held at amortized cost, net of any Expected Credit Losses.

Debt Instruments:- Investment in term deposits are initially measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss ('FVTPL') till derecognition on the basis of

- i the Company's business model for managing the financial assets and
- ii the contractual cash flow characteristics of the financial asset.
- i **Measured at amortised cost:** - Financial assets that are held within a business model, whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost less impairment, if any. The loss arising from impairment, if any is recognised in the Statement of Profit and Loss.
- ii **Measured at fair value through other comprehensive income (FVOCI):** - Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost less impairment, if any. The loss arising from impairment, if any is recognised in the Statement of Profit and Loss.
- iii **Measured at fair value through profit or loss (FVTPL):** A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income & dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments: - All investments in equity instruments (listed equity securities from which dividend if any are received) classified under financial assets are initially measured at fair value; the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument by-instrument basis. Fair value changes on an equity instrument are recognised as 'other income' in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments if any are recognised as 'other income' in the Statement of Profit and Loss.

Impairment of Financial Asset:- The Company applies Expected Credit Loss (ECL) model for measurement and recognition of loss allowance on the following:

Notes

to the Financial Statements for the year ended 31st March 2025

- i Trade receivables
- ii Financial assets measured at amortized cost (other than trade receivables)
- iii Financial assets measured at fair value through other comprehensive income, if any (FVTOCI). In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance

In case of other assets (listed as ii and iii above), the Company determines if there has been a significant increase in credit risk of financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL (recovery of assets is not possible resulting in doubtful debts, if any) is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance. Subsequently, if the credit quality of the financial credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12-month ECL. ECL is difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that months from the reporting date. ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions. ECL allowance recognised (or reversed) during the period is recognised as income/expense in the Statement of Profit and Loss under the head 'Other expenses'

Write-off - The gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering the financial asset in its entirety or a portion thereof.

Financial Liabilities:

Initial recognition and measurement : Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost.

Subsequent measurement : Financial liabilities are subsequently measured at amortised cost. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss account.

Derecognition : A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of Profit and Loss.
